

Portfolios or technology in ESP Writing Skills

1

- Introduction
- Methodology
- Analysis
- Results
- Discussion

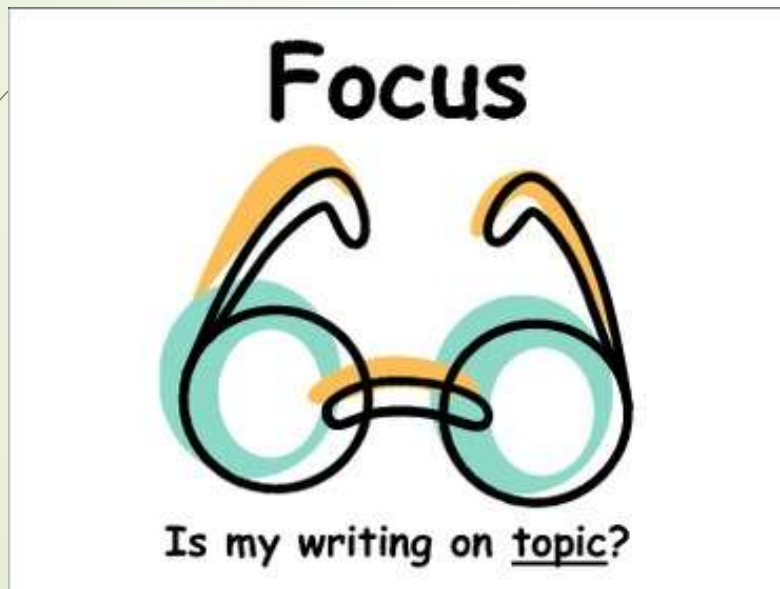

Both groups have an improvement in general overall writing performances.

It can be said that it is more for portfolio group.

Comparison of writing sub-skills development

7

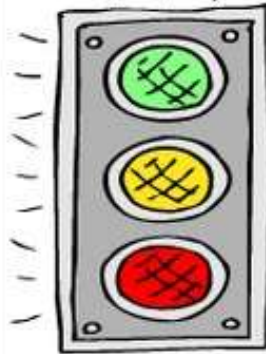

Focus: to be related to the frame of the topic

- Elaboration: appropriate usage of the details related to the topic.

Organization

Does my writing have ...

- A beginning?

- A middle?

- An end?

Does it
flow?

- Organization: the coherence in the text.

- Vocabulary: using suitable words in the text.

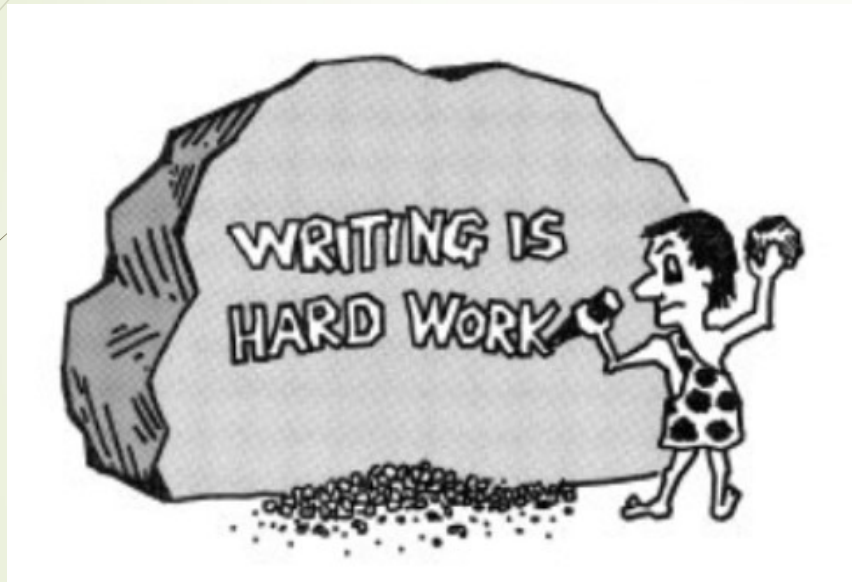

Let's eat grandma!

Let's eat, grandma!

**PUNCTUATION
SAVES LIVES!**

- Convention: means grammar and spelling.

- Both of the groups have improved their ability in writing.
- Only in convention sub-skill there is no significant relation between groups.
- Portfolio technic is better than the technology enhanced technic in writing skills.

- ▶ The more participant will be better for further studies.
- ▶ There can apply a separate ESP level test.
