Vancouver, Canada

Is AI making us stupid?

<digital_dependence>

<cognitive_surrender>

<brain_melt>

The Faustian Bargain

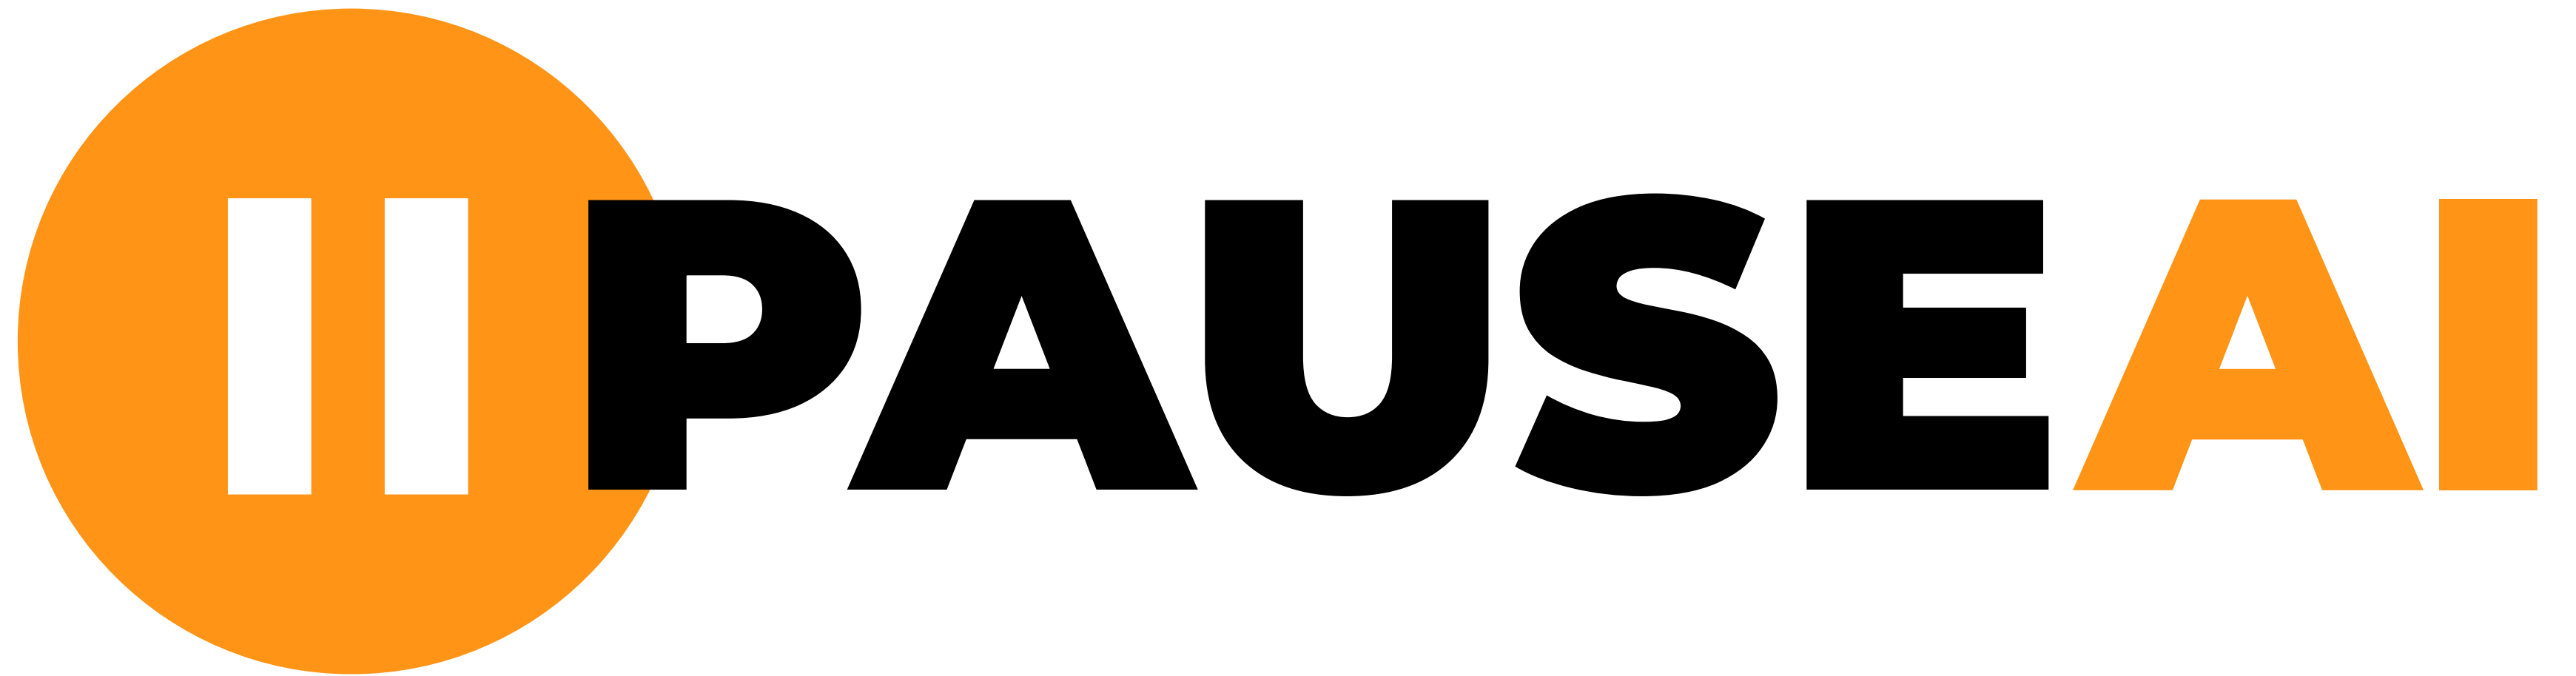

**"Technology giveth
and technology
taketh away"**

-Neil Postman

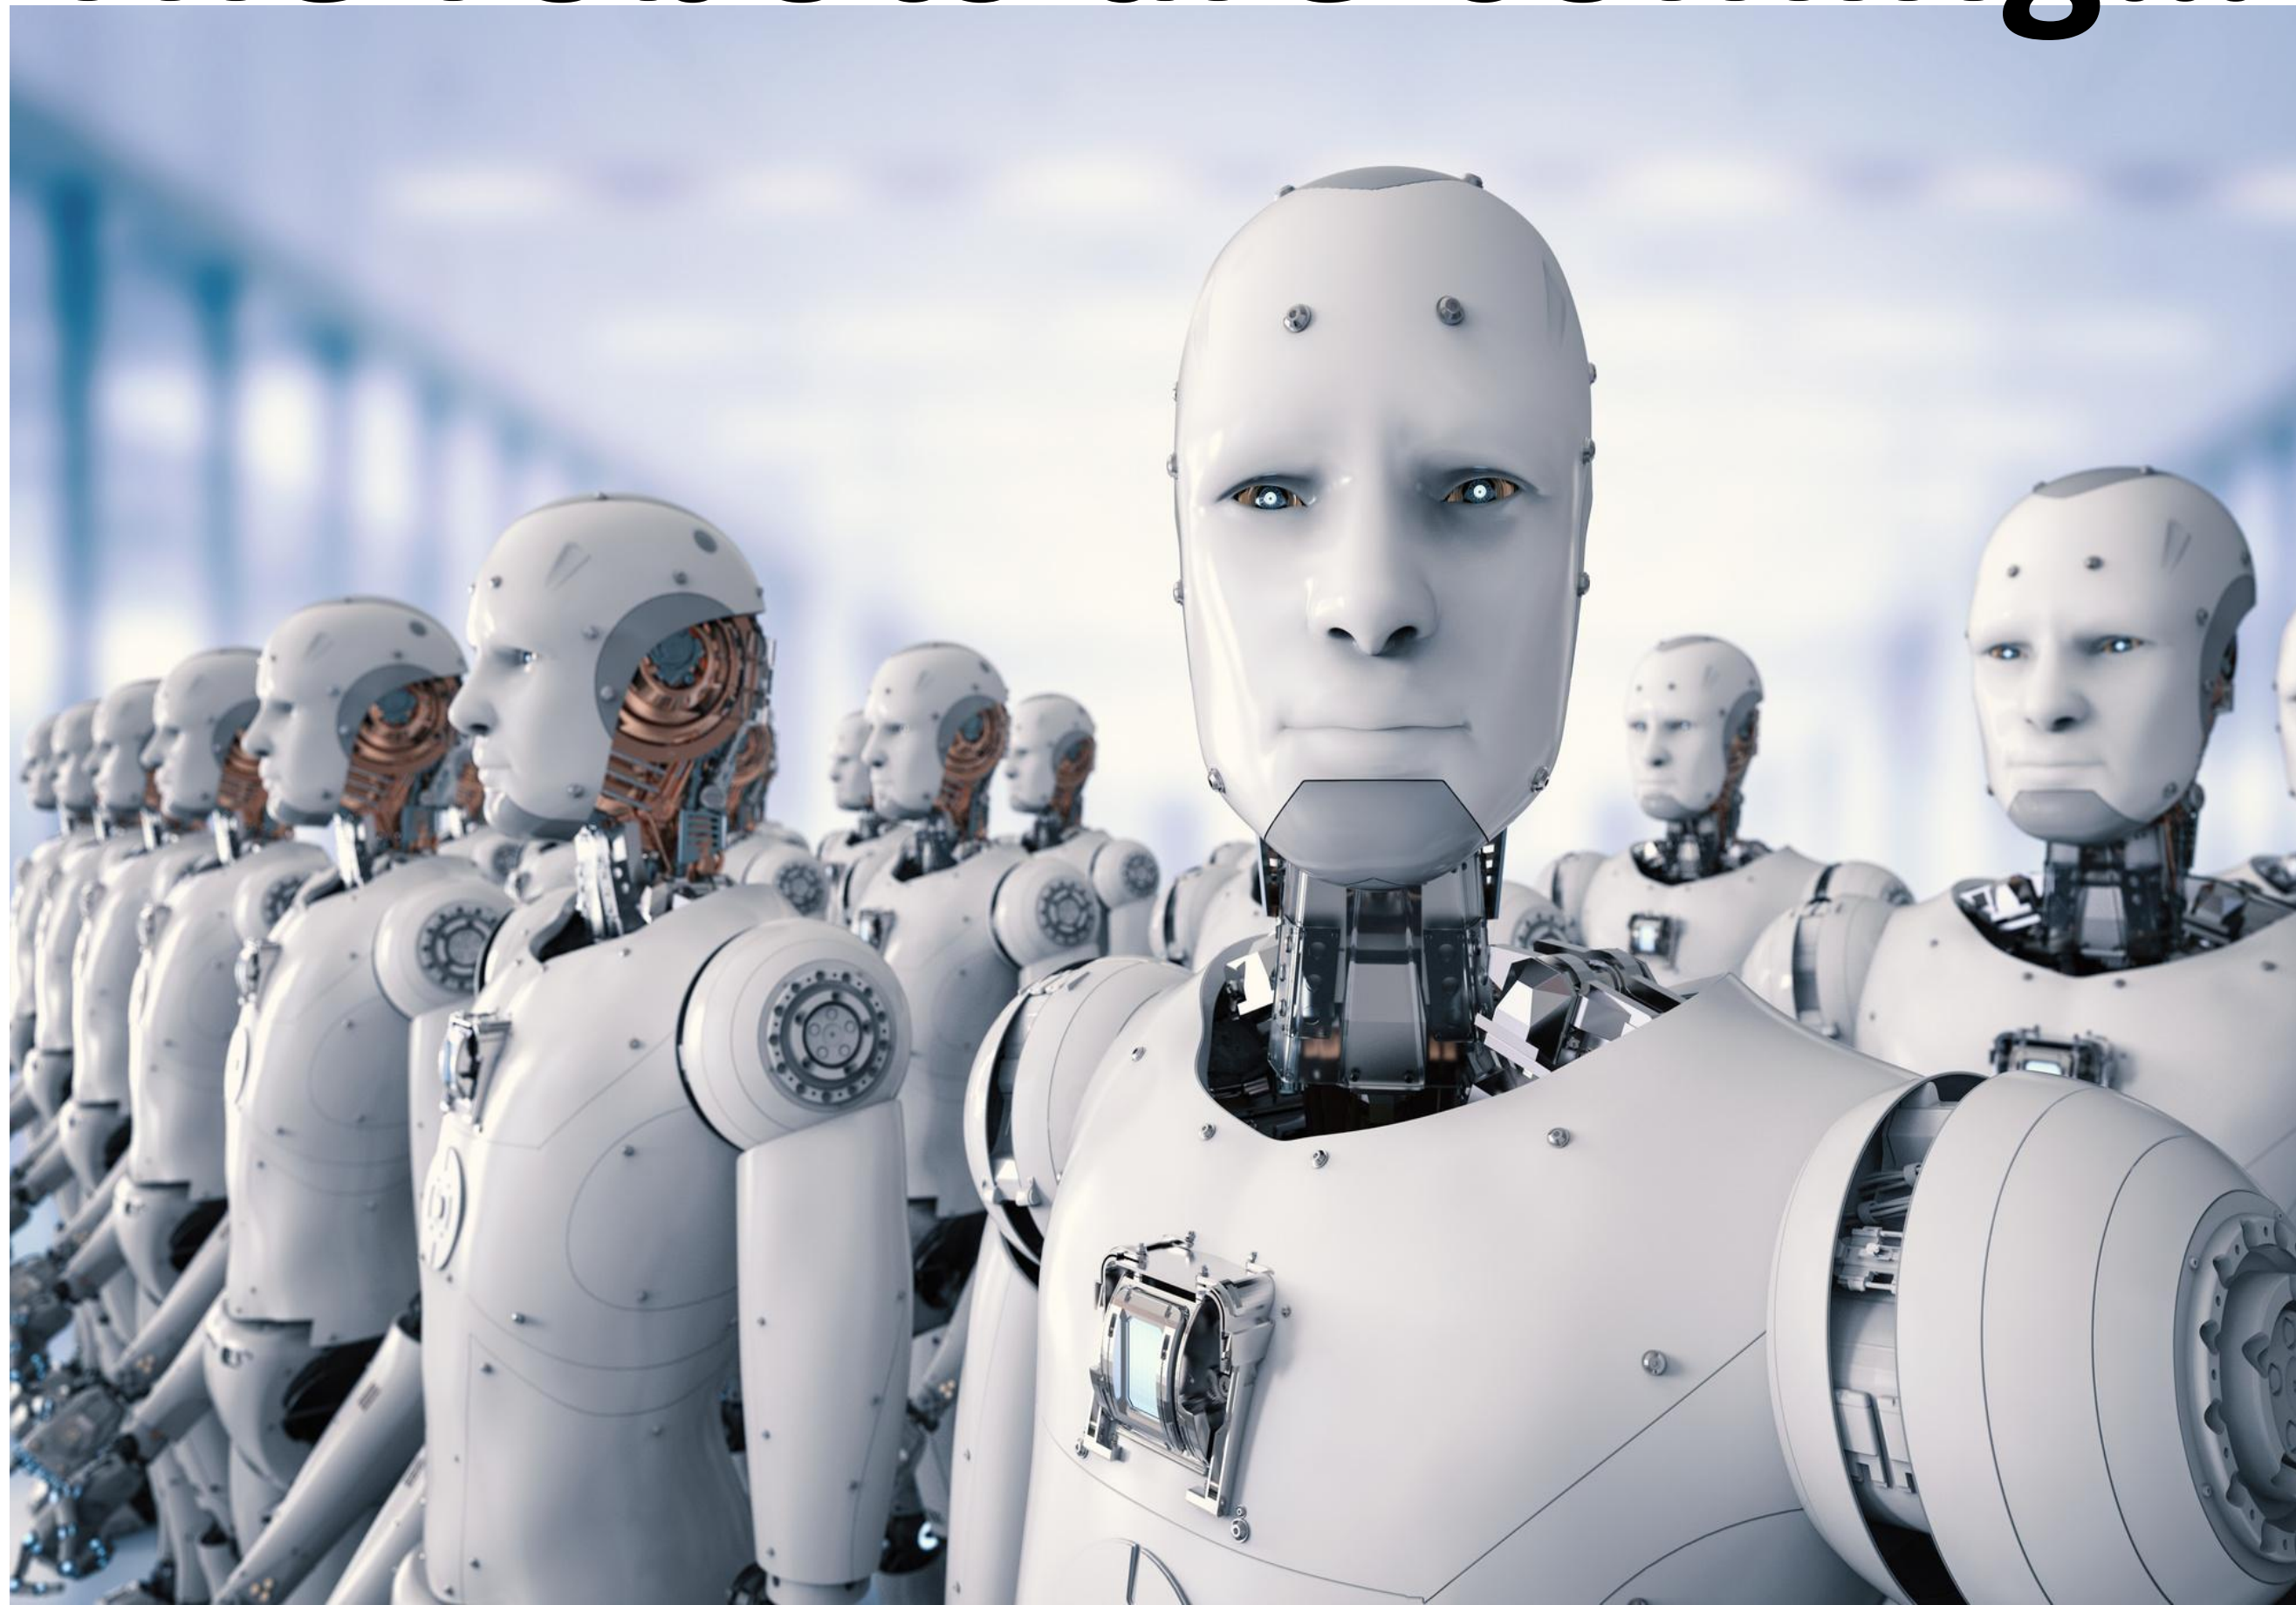

Pause Giant AI Experiments: An Open Letter

We call on all AI labs to immediately pause for at least 6 months the training of AI systems more powerful than GPT-4.

PAUSE AI

The robots are coming...

The “disgruntled” students were, understandably, unreceptive to AI boosterism.
