

## Antonio Causarano

**Institution:** Division of Education

Alfred University

**Country:** USA

**Tel:** (607) 871-2808

Antonio Causarano is an Assistant Professor of Education at Alfred University, New York, USA

His research area focuses on how teachers from different cultural and SES background can serve students who are culturally and linguistically diverse in a multicultural society.

He's currently developing a theoretical and methodological framework for the analysis of media literacy in K-12 schools.
