Olivier Allain is a professor at Instituto Federal de Santa Catarina (IFSC), Brasil, Campus Araranguá.

He graduated in Portuguese and English – Language and Literature, from the Federal University of Santa Catarina, Brazil, in 1999, where he also took a masters degree and a PhD in Literary Theory. Since then he has been working at IFSC with undergraduate teacher students in sciences and physics. Besides teaching language and literature, Olivier Allain currently focuses his studies in philosophy and educational theories and discourses.
