Dr. Reza Samim is the assistant professor in sociology and the head of the department of social studies at the Institute for Social and Cultural Studies (ISCS). This institute belongs to the ministry of science, research and technology of Islamic Republic of Iran.

He received his PhD degree in Sociology from the University of Isfahan in 2012. Since then he has constantly been working in the field of sociology of science and higher education.

Dr. Samim conducts some researches focusing in particular on the areas of social and cultural studies of higher education. For example now he is working on a project with this title: “On the Methodological Implementations in Analysis of Cultural Spaces in the Universities”

He teaches, in some universities and institutes, “sociology of culture” for PhD students in sociology and “sociology of arts” for M.A students in cultural studies.

Dr. Samim is also involved as manager in the department of foreign affairs in the Farabi International Award and as deputy editor in the Iranian Journal of Cultural Researches.
