Dr Sonya Coleman received a BSc(Hons) in Mathematics, Statistics and Computing from the University of Ulster, UK in 1999, and a PhD in Mathematics from the University of Ulster, UK in 2003.

She is currently a Senior Lecturer in the School of Computing and Intelligent System at the University of Ulster, Magee and Head of Research Graduate School.

She has 80+ publications primarily in the field of mathematical image processing and education and much of the recent research undertaken by her has been supported by funding from EPSRC award EP/C006283/11, the Nuffield Foundation, The Leverhulme Trust, EU FP7 and the Higher Education Academy.

In 2009 was awarded the Distinguished Research Fellowship by the University of Ulster in recognition of her contribution research.
