Loreta Chodzkienė is the deputy director of the Institute of Foreign Languages, Vilnius University. The fields of her responsibility cover quality assurance, research and international cooperation. She also teaches Intercultural Communication to the students of languages.

She graduated in English Philology, defended PhD thesis in Social Sciences – the focus of her research is intercultural communicative competence which is not only a means of communication but also a tool for mutual understanding in the EHEA internationalisation process. L. Chodzkienė explores mobility as the major socio-educational factor contributing to the development of the target conference. She has also been interested in foreign language teaching methodology related to mastering students' intercultural communicative competence.

Loreta Chodzkienė coordinated Socrates Lingua 1 project “Open to Every Citizen” (2004-2007; European Label Award), LLP Erasmus IP “Modernisation of Europe by Innovating Teacher Training” (2009-2010).
