Anne Marie Graham is the project manager of the European Graduate Placement Scheme for Skills CfA

She is a languages graduate and a qualified technical translator. She worked for 12 years in the translation industry, in project management and mentoring. She subsequently worked for the UK's National Centre for Languages (CILT), leading on professional development programmes for professional linguists.

Anne Marie led on the development and maintenance of National Occupational Standards and training products based on the standards. For CILT, she managed a graduate placement scheme for trainee translators is an expert in the planning and management of European projects focusing in particular on the areas of education, training and culture.

She works as a consultant programme and project manager for projects in education, training and culture in the UK and Europe.

Anne Marie Graham is an experienced research in higher education, focusing on labour market intelligence for languages, intercultural skills and related professions. She recently published a large scale review of training provision in higher education for public service interpreters and translators. She also established a virtual community of practice for interpreting and translation training.

She is also a specialist consultant in languages, including sign languages, and intercultural skills for the workplace.
