Dr. Ieva Brence is a project coordinator at Latvian Academy of Sciences and associate professor at University College of Economics and Culture.

She conducts courses on Marketing, International Economic Relations and Business Research Methods. Her research themes mostly involve higher education and labour market issues.

Her responsibilities at Latvian Academy of Sciences are related to coordination of the Unit of Agricultural and Forestry Sciences, organization of scientific events, elaboration of project proposals and participation in projects implementation. Ieva Brence has been involved in more than 10 projects – as a researcher and coordinator. One of the last projects she participated as an expert was devoted to evaluation of higher education study programmes in Latvia.
