Marco FABBRI (@MFCons) is the owner of MF Consulting and a “SQcuola di Blog” partner.

He awarded the Bachelor of Science in Physics – Cybernetics at the University of Naples in 1987. Since then he had jobs in the field of VET, European Programmes and specialized training in the private companies (Quality Management, HR Management, Change Management, Social Media Management).

Marco FABBRI is an expert in the planning and management of European Projects with focus on the areas of education, training and ICT. He is also involved as external expert in Quality Management and Expert Evaluator in European Projects on behalf of European Agencies.

So far Marco FABBRI has been involved as Project Planner and Manager in a great number of projects funded by the European Commission and National Authorities. He has developed and coordinated partnerships throughout Europe (including universities, public authorities, training organizations, schools, research centers etc.) on behalf both of Italian and foreign Project Leader Organizations.

After two Masters in Social Media Management and one in Project Management, Marco FABBRI is now the vice-Director of the Master “SQcuola di Blog” and is invited as a speaker or expert at conferences and seminars about European Projects Management and Social Media Management. In each Master edition he is the Project Manager for one (or more) Project Works developed from the students.

He is also Italy Team Leader of the European Project “Digital Sunrise Europe” and partner at Scuola Italiana di Mentoring, with the charge of “Evaluator and Certicator of Mentoring”.
