Martina Ivie Araoye is a Lecturer in the Department of Biology, Federal College of Education (Special), Oyo.

She graduated in Microbiology from Ekpoma State University, Edo State in 1992 and obtained a Master in Microbiology from the University of Ibadan in 1997. She has risen through the ranks from Lecturer III in 2004 to the status of Lecturer I and she has been involved in teaching, research (biological science education and microbiology) and community service.

Martina Ivie Araoye is a teacher per excellence and has over the years been involved in planning health and moral training and capacity building programmes for youths, girls and women.

She has over 20 publications and research papers published in local and international journals to her credit. She has also been involved in advocacy for infant weaning foods from local sources.

Martina Ivie Araoye is trained in Family Life HIV/AIDS Education (FLHE) and she has always spoken with passion on the subject at various meetings where she is invited.
