Cristina Isabel Pavisic. is a Chemistry Teacher and an International Project Manager.

She graduated in Chemistry from the University of Buenos Aires (Argentina) in 1980 and from the University of Camerino (MC, Italy) in 1987. Since then she has constantly been working in the field of Education and in European cooperation.

Cristina Isabel Pavisic have been teaching Chemistry for more than 35 years at Secondary Schools. She had been seconded teacher at the Directorate of International Affairs at the Italian Ministry of Education. She is involved as trainer for teachers in many training courses.

Cristina Isabel Pavisic is an expert in the planning and management of European projects focusing in particular on the areas of education and training.

So far Cristina Isabel Pavisic had been involved as project planner and manager in more than 30 projects funded by the European Commission, LLP Italian National Agency and Marche Region for ESF courses. She has developed and coordinated partnerships with more than 60 bodies throughout Europe, including universities, public authorities, training organizations, schools, research centres etc. .

A Leonardo da Vinci project (mobility for teachers) where she was the project planner and manager won the European Label for Languages 2009.

She is also involved in pilot lessons with CLIL methodology in ESF courses.

She is also involved as external evaluator in European projects mostly funded by the Lifelong Learning Programme.
