José Miranda is a Portuguese and French Teacher in Lisbon Public Schools since 1998.

He graduated in Languages and Modern Literatures in Lisbon University in 1997, finished his Master's Degree in Francophone Studies in Universidade Aberta in 2010 and is presently a Doctorate Student in Education History in Lisbon University and Investigator in Instituto de Educação, constantly working in the field of Education and language learning through different approaches for several years.

He studied in particular, French and Portuguese metagrammars of the XXth and XXIst centurys, i. E., books, web sites, other supports that convey language reflection in out-of-school contexts.

So far José Miranda has participated in several European projects concerning Education throughout Europe, including universities, public authorities, training organizations, schools, research centers, teacher's associations, funded by the European Commission.

José Miranda is often invited and accepted as a speaker at national and international Conferences to present the projects in which he is involved, publishing his papers in various sites and magazines.
