Joana Duarte is Professor for at the Institute for International and Intercultural Comparative Educational Sciences and at the federal research cluster Linguistic Diversity Management in Urban Areas (LiMA - www.lima.uni-hamburg.de).

She graduated in Linguistics and Literature at the University of Lisbon in 2001 and completed a Masters in Intercultural Education at the University of Hamburg in 2004. Her Ph.D. was focused on the evaluation of a bilingual learning model over a period of two years. It has recently been published under the title: Bilingual Language Proficiency: a Comparative Study (Waxmann Publishers).

She was a research assistant at the University of Cologne and a post-doctoral fellow at the University of Hamburg.

She has cooperated in numerous research projects at a European Level and acts as consultant for several research groups in the areas of language development, teaching and learning in multilingual settings and language assessment of pupils with an immigrant background.
