Sachiyo Sekiguchi is currently appointed as an Associate Professor at the Faculty of Information and Communications, Bunkyo University, Japan. She obtained her Masters degree in IT in Education and Graduate Diploma in CALL at the University of Melbourne, an MA from Monash University, and a Graduate Diploma in Education from Victoria University. Before taking up her current position, she taught at a number of Australian universities for 15 years. She has been researching methods for the implementation of Technology-Enhanced Learning Environments for language learning in the conventional foreign language classroom.
