Sara Giulivi is a researcher at the Department Formation and Learning of SUPSI in Locarno, Switzerland.

She received her undergraduate Degree (Laurea) in Foreign Languages and Literatures at the University of Siena (110/110 cum Laude), and her PhD in Linguistics and Italian Linguistics, at the University of Florence.

She has conducted research in the field of Phonetics, Phonology and Language Acquisition at Haskins Laboratories (Yale University) and at the University of Bologna.

She is now doing research on dyslexia and second language learning at DFA-SUPSI, in Locarno.
