Charlie Pritchard is manager of the DMC. He has over twenty years experience in creating and managing research groups and to date has been involved in over sixty projects, with funding in excess of €10m.

He has been actively involved in EU framework programmes 4, 5, 6 and 7 and has obtained National funding from Enterprise Ireland, Department of Education and the Information Society Fund.

He was a founder member and chairperson of the Irish Interactive Multimedia Association and was the chairperson of the judging panel for the first O2 Digital Media Awards.
