Winnie Siu Yee Ho is a PhD candidate in the Faculty of Education at the University of Hong Kong.

She graduated in Linguistics and Computational Linguistics from the City University of Hong Kong in 2003 after the completion of an academic exchange programme in Lancaster University, UK. She pursued her studies in the area of Linguistics at Oxford University, UK, receiving her Masters degree in 2004. Since then she has taught in the Hong Kong Institute of Vocational Education, a higher education institution funded by the government and Chu Hai College of Higher Education, a private university in Hong Kong. Before she commenced her research degree in the area of English language education in 2010, she also obtained the Postgraduate Diploma in Education (English) at the University of Hong Kong and Diploma in Interpreting (Chinese & English) at the Chinese University of Hong Kong and Chartered Institute of Linguists Hong Kong Society.

Winnie Siu Yee Ho is an active volunteer focusing in particular on the areas of education and training. So far she has been involved as project planner and organizer in various voluntary projects funded by the Hong Kong government. She has developed and coordinated partnerships with some international vocational education organizations, universities, training organizations. She is often invited as a lecturer by local youth groups to present her knowledge in English language education and an adjudicator in English competitions. She is also involved as an advisor in the syllabus development and the accreditation exercise of local youth groups.
