Vera Bitljanova is a teacher trainer and EFL teacher at the Technical University of Liberec, Czech Republic.

She graduated in English and Czech studies from the Charles University in Prague in 1974 and in Programme development from the University of East Anglia in 1996. Since then she has constantly been working in the field of teaching English as a foreign language and teacher training.

Vera Bitljanova is an expert in the planning and management of teacher training courses focusing in particular on the areas of methodology, classroom research and course design and development.

So far Vera Bitljanova has been involved in pre-service and in-service teacher training, classroom research tutoring, EFL teaching, material design and evaluation. She has taught at the Faculty of Education for 20 years, organized and delivered training sessions for teachers, translated and adapted materials for teachers and textbooks.

Vera Bitljanova has cooperated with the British Council, UCLES and the Cambridge University Press in the Czech Republic.

She is presently involved as an expert in coordinating the EU funded project – namely Development of English Skills of the Staff at the Technical University of Liberec.
