Tereza Vogeltanzová is the head of the English Language Section and senior lecturer of English and French at the Czech University of Life Sciences in Prague.

She graduated in English and French from the University of South Bohemia in 2003. In 2005, she joined the Department of Languages as a junior language teacher.

She has practical experience in all aspects of language teaching. She recently teaches the following courses: Business English, Business Correspondence, Presentation and Negotiation Skills. She manages the team of about fifteen English teachers (both Czech and native speakers), provides teacher training and tutoring and is at the same time a departmental coordinator of the e-learning management system Moodle.

Tereza Vogeltanzová has been involved in several project funded by the European Commission and/or the Czech government. These projects include e.g. Erasmus Intensive Language Courses of Czech for Foreigners, EVYNA (Effective Return of University Educated Women on the Labour Market after the Maternity Leave) etc. At present she is one of the co-authors of the project of Online Study Support for the Subject of Business English supported by the Fund of Higher Education Development of the Czech Republic.

Tereza Vogeltanzová has been regularly participating in various teacher mobilities within the framework of the LLP Erasmus (University of Plymouth, SupAgro Montpellier ...).
