Cristiana Cervini has been working at the "Interfaculty Center of Theoretical and Applied Linguistics L. Heilmann - CILTA" of the University of Bologna since 2004 in the research and development field for foreign language teaching and learning, mainly in blended or e-learning modes. She is responsible for the tutoring and monitoring processes and she has a research grant on the project called "DALIA – Didattica per l'apprendimento delle lingue in autonomia" – <http://dalia.cilta.unibo.it> . She has taught translation from French to Italian and she is currently teaching "Language and Linguistic Education" at the Faculty of Foreign Languages (University of Bologna).
