Gilmour Fontaine is a teacher and trainer in English as a Foreign Language and English Language Teaching.

He is also an ICT trainer and coordinator in projects involving E-learning and blended/distance language learning. His interest is linked to teaching-learning strategies in adult education within the context of Life Long Learning. He has been involved in distance language learning with VLEs (e-Learning and blended learning-teaching) and teacher training for over 10 years.

He has participated in 2 European projects addressing adult language learning experience and ICT best practices within LLL (AXLE -Grundtvig2). He is also interested in issues regarding the digital divide and computer literacy in the context of language acquisition and the evolving roles of teachers and learners.

He is an examiner for Cambridge ESOL certificates and the DCL (French language diploma)

He graduated in Applied languages and science technology from the University of Blaise Pascal, Clermont Ferrand in 1995. Since then he has constantly been working in the field of language learning and teaching.
