Ben Vaske is director of Stichting Expertisecentrum ETV.nl.

Ben studied Dutch Language (Medieval Language and Literature). He worked as a teacher and coordinator education in vocational education (especially laboratory school in Delft), as project manager of (inter)national projects at the Regional Training Centre ROC Mondriaan. Eventually he ended up in de world of educational multi media.

He took the initiative for the successful multi media programmes as Lees en Schrijf! and Klik & Tik and of Oefenen.nl. Furthermore he was co-author of several methods for Dutch/Communicative skills for secondary vocational education and of Professioneel Presenteren, Sprankelend spreken in de praktijk about giving presentations.
