Dr. Lindsay Oishi is the Product Owner for Efficacy and Progress at GlobalEnglish, a global provider of enterprise, on-demand Business English solutions owned by Pearson PLC.

She holds a BA in Philosophy from Georgetown University, an MA in Psychology and Philosophy (PPP) from Oxford University, and a PhD in Educational Psychology from Stanford University. Her dissertation research focused on how young adults can use an innovative problem-solving approach called design thinking to enhance their future career plans and psychological well-being.

Dr. Oishi has worked on research, assessment and evaluation in academic settings, including the Hasso Plattner Institute of Design and the Stanford University Online High School, and in business settings, at Hewlett-Packard, Adobe Systems, and Pearson.

She has written about online education and language learning in publications for various organizations, including the International Association for K-12 Online Learning, the California Foreign Language Project, Technology and Learning magazine, and the American Educational Research Association.
