Isaí Alí Guevara Bazán is a Full time teacher for the Universidad Veracruzana.

He graduated in English Language – Translation speciality from the Universidad Veracruzana in 1995. Since then he has constantly been working in the field of teaching English as a Foreign Language and virtual Education.

Isaí Alí Guevara Bazán is an expert in Education Technology and Self-access, focusing in particular on the areas of virtual learning and online material for English as a Foreign Language.

So far Isaí Alí has been involved as a formatter designer of the E4U Project, and responsible for the Researching Group "The use of technology for language learning". He has developed and coordinated networks with more than 40 bodies throughout México, including universities, public authorities, training organizations, schools, research centers etc.

Isaí Alí is often invited as a speaker or expert at National and International Conferences to present his papers and experiences in which he is involved. He is also the collaborator in some other research projects to improve education in Mexico, especially the ones related with lifelong learning".
