Dominique De Guchtenaere is coordinator of Innovation and teacher of Italian at Het Perspectief PCVO, a school for adult education in Gent, Belgium.

She graduated in Languages, French and Italian, at the University of Gent in 1982. She teaches Italian at the levels A1-B1 in the adult education. Since 2000 she has been involved in the implementation of ICT for language learning. In 2003 she became platform administrator of the electronic learning platform in Het Perspectief. In the same year she started teaching a course of Italian blended learning.

Since September 2011 she is the administrator of the new learning platform Chamilo LCMS Connect.
