Katalin Homolya is the head of the English section in the Centre for Foreign Language Education and Research of Corvinus University of Budapest.

She graduated from the Faculty of Arts, majored in English Literature and Linguistics at Eotvos Lorand University of Budapest. She gained her second degree as an economist from the College of Foreign Trade.

Since graduation she has been teaching economic English. As head of the English section she took part in the development of the state-accredited Corvinus economic language exam, the Corvinus international studies exam and the Corvinus general exam.

She is co-author of the coursebook prescribed as compulsory material for university students.

She has integrated Lingoeducation into her teaching programme .
