Marketa Denksteinova is the ESP senior lecturer at the Language Centre of the University of Pardubice, Czech Republic.

She graduated in English Language Teacher Education at the University Pardubice, Czech Republic in 2000. Since then she has been working in the field of language teaching and translating/interpreting.

Marketa Denksteinova teaches English in ESP courses for students of Information Technologies and Electrical Engineering at the University of Pardubice. She is also responsible for one of the key activities in the EU-funded UNICOM project of the Language Centre (Innovative and Integrated Concept of Language Training towards Quality Assurance, Excellence and Internationalization) which focuses on professional development. She is a head of key activity "Support through ICT – development of ICT foreign language learning and intercultural communication tools" within the Unicom project. She has been deeply involved in implementation videoconferencing modules into ESP courses and Mediasite operating.

Marketa Denksteinova has been also involved in preparation of online courses and tests in Moodle for the students of the University of Pardubice and the oral assessment of Erasmus students.

She is interested in e-tools and ICT for language learning within the learner-centered approach in language teaching.
