Dr. Monika Ciesielkiewicz is an Associate Professor at Centro Universitario Villanueva, Complutense University of Madrid in Spain. She has considerable experience as a teacher of foreign languages in different countries. She has been teaching Spanish, English, Russian, French, and Polish since 1996.

She took an active part in creating Global Portfolio based on the European Language Portfolio at Virginia Commonwealth University and implemented its electronic version at Messiah College, Pennsylvania, USA. She also instructed middle and high school teachers on how to incorporate language portfolios in their teaching.

Her research interests include linguistics as applied to teaching, language learning technology with a special focus on electronic language portfolios used as an assessment and didactic tool.
