Anuradha KHARA heads the French Language Department at The Galaxy Education System – a group of school system in the state of Gujarat, India.

She received her Master's degree in CALL (Computer Aided Language Learning) from Universite Stendhal, Grenoble III. Presently, she is a research fellow at IGNOU (Indira Gandhi National Open University), India in addition to her teaching assignment.

Specialising in Blended Learning, she has developed Moodle Platform for encouraging Blended Learning in the School. She has participated in developing Scrib+ website to help in improving writing skills in French.

She has participated in designing and developing content for the platform "Salle des Profs" for French learning in collaboration with the French Embassy in India. As member of Expert Committee of IGNOU, she is involved in preparing syllabus and books for Bachelors and Master students in French Language.

She has worked as Cultural Coordinator for Alliance Française d'Ahmedabad, India. She has also worked for developing E-learning tools and handled translation of the modules from French to English at Lyon, France.
