Lionel Nicolas is a senior researcher at the Institute for Specialised Communication and Multilingualism (Commul) of the European Academy of Bolzano (EURAC) since January 2012.

He graduated in Computer Science from the University of Nice Sophia Antipolis in 2006 and defended his Phd in Natural Language Processing in 2010.

His research interests focus on :

- Guidelines for saving efforts when creating or improving linguistic resources for NLP,
- Automatized acquisition and correction of linguistic resources for NLP,
- Learner corpora.
