Elena Maddalena has been working at Indire since 1998, dealing with the following European programmes for education and training:

Socrates I, Socrates II and the Lifelong Learning Programme.

From 1998 to 2006 she worked as a project officer, dealing with project selection, implementation and assistance to beneficiaries.

In 2006 she became a professional journalist.

Currently, she is working for the Communication Unit in the LLP Italian National Agency with the following tasks:

web content (site and social networks), reporter, press agent, copy editor.
