Bennyé D. Austring has a candidatus magisterii degree in Danish Language and Theatre Science at The University of Copenhagen 2000. He is an associate professor in Drama and a former actor. In 2011 he is working for the Dept. of Research and Development of University College Sjælland (Sealand), Denmark.

Bennyé D. Austring has made several research projects on Drama and the Aesthetics in kindergartens, among these for 6 years a project in the city of Næstved.

He is also an experienced teacher of Drama and Danish language and culture, and has for several years been a coordinator for the e-learning education of social workers in the region of Sjælland (Sealand).

He has published several essays and books, most of them in cooperation with associate professor Merete Sørensen.
