Merete Sørensen has got an MA in drama and aesthetic learning processes from the Pedagogical University of Denmark, Aarhus University 2004 and is an associate professor in drama. She is a former actress, trained pedagogue and now a PhD student at the Pedagogical University of Denmark, Aarhus University.

Merete Sørensen has made several research projects on drama in kindergarten and primary school, and is on the moment working with a Ph.D. on drama and social inclusion in kindergarten.

Merete Sørensen is also teaching at the University College Sjælland in drama and aesthetic learning. For the last three years she has been teaching on the international course "Children at Risk" Roskilde Denmark. She is for the moment working with establishing a new international course for preschool pedagogues on the subject of Aesthetic and Learning.

She has published several articles and books most of them in cooperation with associate professor Bennyé Austrung .
