Mary Brennan is a Specialist Professor in the School of Education at Monmouth University in West Long Branch, NJ. She has taught several Education courses, including hybrid and online courses.

She has a Master's degree in Learning Disabilities from Lehman College in New York.

Mary Brennan has been in the field of higher education as an administrator and instructor for over 25 years. During that time, she has worked with adults and traditional-aged students pursuing a variety of degrees.

Currently, she serves as a liaison with one of Monmouth University's partnership school districts.

Mary Brennan has presented at various local, regional, state, national, and international conferences on topics related to the preparation of teachers. She has also published several articles on teacher preparation.
