Dr. Dalea Bean is a graduate of the University of the West Indies, Mona Campus Jamaica. She is a historian and gender specialist and is currently Assistant Lecturer at the Institute for Gender and Development Studies (IGDS), UWI Mona. At the Institute she is in charge of coordinating the Diploma in Gender and Development Studies which is offered online to the wider Caribbean.

Her research interests include women and gender in Caribbean history, the impact of the World Wars on Jamaican women, masculinities and education and gender and the hotel industry in Jamaica. She has written book chapters, journal articles and papers on these and other topics and has taught at the University of the West Indies in the Department of History and the IGDS at the graduate and undergraduate level.
