Magdalena Andrés is a professor and she also works for EVA Unit (Virtual Education of Almería) at the University of Almeria.

She graduated in Psychology in 1997 and obtained a doctorate from the University of Almería in 2007. Since then she has constantly been working in the field of Education and New Technologies.

Magdalena Andrés is dedicated to coordinate the management of virtual projects particularly focusing on the areas of designing, monitoring and quality evaluation.

She is also involved as an internal and external evaluator in Campus Andaluz Virtual, a virtual regional educational program involving the ten public universities of Andalusia.
