Deidre Joubert is the Head of Department of Legal Sciences at the Vaal University of Technology in South Africa.

She holds the following degrees: BProc (Bachelors in Law), LLM (Master of Laws) and LLD (Doctor of Laws). She practiced as an attorney for twenty years and joined the Vaal University of Technology approximately eleven years ago.

During Deidre Joubert's career she has chaired and served on several National and Provincial committees and boards that specialise in Schools for the Disabled. Her passion for teaching and learning is eminent from spearheading the development and implementation of several new qualifications in the department in the past year, the current development of more new qualifications and the implementation of innovative and new teaching and learning methodology in the department.
