Dimitra Founta graduated in History-Archaeology from the Philological School of the University of Ioannina (Epirous).

Dimitra Founta has been working in "Platon" Secondary Schools for the past six (6) years as a Professor Philologist of Secondary Education. She has been an active tutor of the philological courses of Ancient and Modern Greek language.

It is the first time that Dimitra Founta participates as a speaker in a world conference.
