Lubomira Parijkova has been working as the Assistant Professor of Department of "Library management" in State University of Library Studies and Information Technologies since 2008.

She graduated in Philosophy from the Sofia University "St. Kliment Ohridski" in 1996. Dr. Parijkova has obtained her doctoral degree in 2008 from Centre for Science studies and History of Science – Bulgarian Academy of Sciences. Her Dissertation's theme's: „Globalization of the R&D activities. The practice of outsourcing in Bulgaria”.

So far Lubomira Parijkova has been involved as participant in project "Expanding the skills and qualifications of young scientists - a prerequisite for professional development in border areas between science and practice" (Operational Programme "Human Resources") from 2010. The main organization of the project is the Institute for the Study of Societies and Knowledge (Bulgarian Academy of Sciences).

She creates 5 different disciplines – "Contemporary tendencies in Philosophy", "Rhetoric. Communication", "Metamorphoses of the Book", "Knowledge management", "Knowledge management and media".

Lubomira Parijkova has been involved as project planner and manager in the project "Week, dedicated to World Book Day and Copyright" in State University of Library Studies and Information Technologies. The project is funded by the Bulgarian Ministry of Education, Youth and Science. She has developed and coordinated partnerships with more institutions in Bulgaria.

Dr. Parijkova is an author of more than 30 articles and a book "Outsourcing of R&D Activities".
