Sotiria Gappa is a Greek literature teacher.

She graduated from the School of Philosophy, Education and Psychology of the Faculty of Philosophy of University of Ioannina. She continued her studies in the Aristotle University of Thessaloniki where she took her master in "Gender Equality in education". Now she is a Phd candidate and her special interest is in Gender equality in education as well. She also participated as a coordinator in a European program "Positive action for women" that was held in Greek secondary schools.

The last decade she is working as a Greek language teacher in tutoring school.
