Eduardo Caianiello is the director of Eironeia, *Scuola di Filosofia*

He graduated in Philosophy from the University of Rome La Spaienza in 1997. In 1999 he took his *MD* in History from EHESS – *Ecole des Hautes Etudes en Sciences Sociales*, Paris – and in 2010 he took his Philosophy and Social Sciences *PhD* from EHESS thankful to a thesis concerning human mind, mathematics and learning process: *The genetic fact of mathematics and the dynamical power of human mind* (<http://tel.archives-ouvertes.fr/tel-00589733/fr/>).

He's now a philosophy professor in a Parisian high school, and the president of EIRONEIA FORMATION SARL (coaching and management formation in public institutions).

In 2003 he created Eironeia: a center of non-formal education and research about human educational development. Since then she has constantly been working in this field.

Eduardo Caianiello is often invited as a speaker at International Conferences to present his educational activity and his quite revolutionary developmental theory of human mind.

Among other, he's the author of two books – *Sperare nella Scuola. Una nuova educazione alla scienza nel sistema dei licei*. Preface de M. Jean Dhombres et M. Bruno D'Amore, Rome: Aracne 2010 ; and *La science et la voix de l'événement. A la recherche du sens*. Preface M. Alexis Philonenko, Paris : Editions de l'Harmattan : 2010.
