

## Mr Philip Smyth

**Institution:** Systems Biology Ireland,  
University College Dublin

**Address:** Belfield,

**Postal Code:** Dublin 4

**Country:** Ireland

**Tel:** +353 1 7162

**Fax:** +353 1 7162667

**Email:** [bridget.kelly@ucd.ie](mailto:bridget.kelly@ucd.ie)

**Web:** [www.clarity-centre.org](http://www.clarity-centre.org)

Philip Smyth is the Education and Outreach Officer for Systems Biology Ireland (SBI), an SFI CSET between UCD and NUIG. Similarly to Bridget his role includes the development and regulation of SBI's outreach and inreach activities.

Philip also looks after the communications brief and branding of the institute working alongside its director, Walter Kolch, and centre manager, Kate Johnston.

Previously Philip has worked with the Biomedical Diagnostics Institute (BDI) as their primary level E&O officer and has also worked with RTÉ and ESA as a consultant.
