Elena Badeanschi has worked in the studies & inter-cooperation office of FTC since 2005, and is now in charge of the European Project management of the institution, focusing in particular on the areas of training and social issues. Her job also involves planning and coordinating activities for international delegations and organizing their training & study visit programmes.

Elena Badeanschi graduated in Foreign Languages & Literature at the University of Trento. She also obtained a Master in Management & Development of Cooperative Enterprise in Eastern Europe. She has specialized in European Project Planning and Management, and in Evaluation of International and Solidarity Projects.
