Audronė Poškienė is an ass.professor of the department of Linguistics at the faculty of Humanities, Kaunas University of Technology.

In 1985 she got Bachelor's degree and in 1987 - Master's degrees in the English Language and Literature (Vilnius University, Lithuania). Till 1991 Audronė Poškienė worked as a lecturer in several high and higher educational institutions. She worked as a translator and mediator in various Lithuanian business organizations as well.

In 1998 became a doctor of Education Sciences and then started working in various social and research Lithuanian and international projects focusing on the areas of education, training and culture. In 2000-2007 she was the member of the Senate of Kaunas University of Technology, got experience in higher education management and participated in the implementation of the strategies of Bologna declaration in Lithuania.

Audronė Poškienė is involved in various training and research projects. She is invited as a lecturer and expert to Lithuanian education and business organizations to deliver lectures in negotiation, rhetoric, intercultural communication, research, training methodology and organization culture. She is the member of several associations dealing with various social problems.

Audronė Poškienė has been invited as a visiting professor to European universities and colleges (Belgium, Sweden, Finland, Spain)

She is also involved as an internal institutional evaluator in Lithuanian higher organizations.
