Konstantinos Chatzidimou graduated from the Aristotle University of Thessaloniki (Department of Philology, specialization in Linguistics) in 2004. He has an MA and a PhD in Education Sciences.

Since the academic year 2008-09 he teaches undergraduate and graduate courses, as a scientific co-operator, at various Greek universities (Democritus University of Thrace, University of Western Macedonia, and Aristotle University of Thessaloniki).

He has published articles in scientific journals, chapters in edited books, papers in scientific congresses and translations. He is a member of the Hellenic Educational Society, the WEE-WEF (Weltbund für Erneuerung der Erziehung - World Education Fellowship) and the German School of Thessaloniki Alumni Association.

His scientific and research interests are focused on issues of School Pedagogy, Teaching Methodology and Pedagogical Lexicography. The foreign languages he speaks are English, German, French and Turkish.
