

Suzanne Denieffe

Institution: Waterford Institute of Technology

Country: Ireland

Ms Suzanne Denieffe, is a lecturer in the Department of Nursing at WIT. She received her MSc from Univeristy College Dublin and is at present a doctoral student at the Royal College of Surgeons. Her research interests include symptoms in cancer and innovative approaches to teaching and learning.

She has published in these areas in peer reviewed journals, edited book chapters, international symposia and conferences. She received a NAIRTL award for her research on MI and received the WIT Innovation and Teaching Award in 2008.

Work in progress: she is currently involved the development of an international research proposal on interventions for symptoms in cancer patients receiving radiotherapy.
