# Organisation and vision

- Partners in Belgium, France, Ireland, Italy Poland, Spain, United Kingdom, Denmark, ..

“

Only when video and audio are routine components of education and online learning, that we will have an educational environment that reflects the media-rich world” in which our learners now live.

# Who can participate?

- Students, teachers, audiovisual departments, schools, training centres, professional producers.....
- All educational levels- kindergarten, university, training centre, adult learning centre, school,
- Animations, weblectures, documentaries, videoclips, games, ...
- Free to enter – any production made in past 3 years
- Online process - explain and describe the context
- French, German, Polish, English, Italian or Spanish
- Integration audio and video in education

# Finalists....

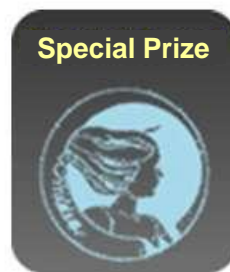

- Finalists take part in conference and awards ceremony in Brussels
- Prizes include awards, software and hardware
- Interviews and published extracts of finalists in Media Gallery
