Elisa Facciolo graduated in 2001 from the University of Padua and has a degree in modern foreign languages.

Since 2002 she has been working as an educational technologist at the University of Padova Language Centre.

In 2006 she completed her Master Degree in "e-Learning Project Management and Design" at the University of Florence. She is the designer and webmaster of the online French course Dynamo{t}s developed by the University Language Centre.

Her main interests are instructional design, e-learning and the use of technology in language learning and testing.

She is currently the project manager for language testing at the University Language Centre.
