Peter Dankmeijer (1957) was trained as a teacher, but works now as senior consultant on gay and lesbian issues. He is director of the Global Alliance for LGBT Education (GALE) and the EduDivers Foundation.

GALE is an international network of educators who combat discrimination on sexual orientation and gender identity. GALE carries out international projects and is a consulting partner of UNESCO. EduDivers is a Dutch NGO focusing on sexual diversity in schools.

Dankmeijer has published extensively on the subject of lesbian, gay, bisexual and transgender issues in schools, see [http://www.edudivers.nl/over\\_ons/medewerkers/peter\\_dankmeijer/publicaties\\_peter\\_dankmeijer](http://www.edudivers.nl/over_ons/medewerkers/peter_dankmeijer/publicaties_peter_dankmeijer).

The contribution to the International Conference on the Future of Education is based on an international project in four European countries.
